**A WORD FROM, THE INTERIM**

---

---

And a Happy New Year to you, too – as we enter 2018, I hope you have considered the joys and foibles of 2017 and begun to formulate a plan to change those foibles into joys. The making of New Year's Resolutions could almost be seen as a Biblically based idea. The stories are replete (I like that word) with the need for people to fulfill resolutions sometimes presented as directly from God, sometimes from God through a prophet. From the Ten Commandments to the creation stories to the Sermon on the Mount, we find versions of things the hearers or readers should change or seek to change. Considering that I offer some ideas for 2018 and Peace Church:

1. We resolve to grow in spirit and in faith. The fourth commandment as we find it in Exodus is to "remember the Sabbath Day and keep it Holy". Now let's be real here and recognize that unless the NFL starts scheduling all Packer games on Monday, we are not going to refrain from activities which can hardly be called "religious" or holy. BUT I think it would do all of us some good to set aside some time (even an hour or two) (and maybe you already do this) to spend with family or friends or both without electronic interference reflecting on what it means to rest for awhile as a celebration of the creation story and how God rested on the seventh day! We will offer the opportunity to think about this in a systematic way beginning on January 17 at 6 PM in the library as we read together Walter Brueggeman's book Sabbath as Resistance. For three Wednesdays we will consider how to find time for rest and reflection in a world of noise, electronic interference, and demands.
2. We resolve to be more "public" with our presence in Calumet County, Brillion, and the World utilizing the tools we have. This begins on January 10<sup>th</sup> when I/we turn our website over to the Confirmands and give them the responsibility for making it more

enticing, more informative, and more relevant. Todd Schneider who is our current web guru will be working with them but the keys to this kingdom will be in their hands and what capable hands they are!!

3. We resolve to be a community which shares the burdens, confronts the needs, and welcomes the stranger into our midst. Too often the "same old folks" have taken responsibility for duties which surround everything from worship to the chicken fry to the plant sale and the list goes on. In 2018, we (that's all of us) will ask others when we need help, will encourage others to take what have been "my" responsibilities, welcome that others want to participate with "me". Communities of faith work best, remain viable, offer the most opportunity for growth when people work together and recognize that no one is irreplaceable. AND that's the good news!!

And now I resolve to end this – right here, right now!

See you in church or sometime soon I hope.

*Pastor Tom*

**CHRISTIAN EDUCATION POT LUCK**

---

---

The Confirmation families and Christian Education families are invited to a Pot Luck on Wednesday, January 10, 2018 at 5:30 p.m. The confirmation students will begin class as usual as 5:00 p.m. (See information on the next page) and will break to participate in our Pot Luck Social. As we begin the New Year, we want to think together about our Christian Education program. On behalf of the Church Council, I want to invite all young people and their parents to gather on the second Wednesday of January to discuss and plan the remainder of our year. This will be a chance to discuss the time, format/content, and teaching of the classes. We will furnish soup and ask that families provide a side dish or dessert. All we need to know is how many to plan for! Please call the office or list the number of family members attending next to your name on the clip board in

the fellowship hall!! Wednesday, January 10<sup>th</sup>, 5:30 PM and we'll be done no later than 6:45!! Please join us.

**CONFIRMANDS AND THE WEBSITE:** Beginning January 10<sup>th</sup>, Confirmands will "take over" our website (<http://peaceuccbrillion.com/>) and begin redesigning it, making it more interesting, and offering ideas about content, pictures, and all aspects of it. We look forward to incorporating their ideas and suggestions.

## ADULT STUDY GROUP

---

---

**DATES:** January 17, January 31 and February 7<sup>th</sup> from 6:15 until 7:00 p.m.

Sabbath practices the fourth commandment is: Remember the Sabbath day, and keep it holy. Ever wonder what that means? Sometime back I "bumped into" a website which outlined the practices of some Jewish households on the Sabbath. It was an absolutely eye opening read and sounded so ... well so romantic as it described how families literally withdrew from the world for 24 hours and enjoyed each other, a time of rest, special food (but simply prepared food), and so many other things. In response, I didn't change anything about my Sunday habits BUT I did find it interesting and thought others might also. In response, I would offer us/you the opportunity to think about the idea of Sabbath utilizing Walter Brueggemann's study guide entitled. Sabbath as Resistance. It begins on Wednesday, January 17<sup>th</sup> and will also be held on January 31 and February 7<sup>th</sup>. I invite anyone interested in a conversation about this to join me from 6:15 PM until 7:00 PM on those days as we explore what we might do to resist the clamoring of the world for a few hours and enjoy a time of rest, special food, and other stuff. Let me know if you are interested or just show up on January 17<sup>th</sup>.

(PS and here's the website – note the recipe at the bottom for Cholent -

## MISSION AND OUTREACH

---

---

In the December newsletter I challenged you to think about the statement, "where your money goes, so does your heart go," and your generosity and willingness to get involved when people needed to hear from our church proved where your hearts are. Mission and Outreach involves the entire church and we continue to work as a team for the Lord.

**Adopt A Family:** First you completed the Adopt A Family project through Salvation Army. Gifts of clothing, toys, gift cards and even some extra little goodies were provided for two families. I would also like to note that some of the children were in the bracket that I often describe as "the ages difficult to buy for" – teenagers and preteen! But you did a wonderful job of finding personalized gifts for them.

Instead of participating in the Shoe Box project, this year you were offered another avenue to provide gifts for those not adopted. Gift ideas were provided using the Star program and you generously gave toys, warm pajamas and other gifts so the many children not adopted had a gift under the tree.

I know without a doubt you will be bringing a multitude of smiles as the gifts are opened on Christmas morning.

**Love Baskets:** A week after having the Adopt A Family completed you jumped right in and provided baked goods, gifts and other food items to complete 47 love baskets. Your ability to identify those in need of our love is what makes this project a powerful way of serving others.

The baskets were delivered to 15 church members and 32 non-members. Each year we try to encourage members and friends of the congregation to deliver just one basket to someone on the list that you don't know. Without doing this, you have missed perhaps the most important part of this project, understanding the reason outreach is so very important. By witnessing the absolute joy, appreciation or even shock on faces as they take your gift and realize our church is reaching out to them to say **WE CARE**. As you make your New Year's resolution this year try to include the promise that you will be part of the delivery team for Christmas 2018!

We will be giving you small selections from the thank you notes as they come into the church.

Take the time to note how truly thankful people are for your thoughtfulness and generosity.

- Sincere appreciation for your Holiday gift
- Thank you so much for thinking of us and for the wonderful gift basket. I greatly appreciate your support and kindness.
- Want to sincerely thank you for my wonderful Love Basket. I haven't done any baking yet, so I really appreciated it. God works in wondrous ways!
- Thank you once again for the beautiful Love Basket. I sure do appreciate the kind words in the card and how you appreciate me and my family.
- What a wonderful surprise - during this difficult Christmas it is nice to know others are thinking and care about what my family is going thru.
- Thank you for the wonderful Gift Basket. Thanks also for all your prayers for me.

**Mini Missions:** Your collection of \$87.50 on December 10<sup>th</sup> helped fill our Love Baskets with small gifts. Through the Mini Mission project, you have traveled around the world during 2017 providing encouragement, appreciation, and receiving a greater understanding of others needing to hear God's word and love. Let's make 2018 another year of exploring God's world thru Missions.

January's Mini Missions will be for Project Linus, an organization several members of our congregation are directly involved in. Their mission statement of "Providing Security Through Blankets" sums up what this group of talented seamstresses can and have accomplished. Members of this sewing group continually work on fabric, transforming it into quilts, which are then given to someone in need. Their recent endeavors included making and sending 500 blankets to those displaced by the hurricanes. There are several ways we can help Project Linus – our donations of money but also donations of fabric and yarn. If you have questions please contact Janel Feldner or Laurie Sommers. I will rely on Janel Feldner to give you more information as she greets the children during the service on January 14<sup>th</sup>.

God's meaning for our lives is to spread His love and care to others and this project certainly warms not only people's hearts but also their bodies.
